

Reduce Risk | Increase Knowledge | Protect Profitability

YOUR PARTNER IN PRACTICE®

After more than six decades of service, Alexander & Sanders Insurance became a division of BXS Insurance in 2020.

By joining BXS Insurance, we are able to offer a greater depth to our team as well as additional resources for you. We have proudly served Louisiana professionals for over 60 years, and as a part of BXS Insurance, we look forward to continuing that legacy for many years to come. We want to be **Your Partner in Practice®**.

Who We Serve:

We serve the insurance needs of design professionals throughout Louisiana. Our clients include thousands of architects, engineers, environmental consultants, land/marine surveyors, landscape architects, and interior designers. Our goal is to educate you on how to manage exposures, from project planning to completion.

Count on us for assistance with:

- Project evaluation
- Project term negotiation
- Local issues that affect you and your practice
- Certificate compliance
- Loss prevention
- Engagement letter preparation
- Contract review

Our professional liability specialists help you analyze your current situation, identify your risk exposures and determine whether BXS Insurance | Alexander & Sanders is the right partner for your needs.

Top carriers give BXS | Alexander & Sanders the right to sell their products because they recognize our specialization and expertise in the field of insurance for architects and engineers.

Count On Us For:

- Professional liability insurance from a wide range of reputable insurers
- Office insurance including auto, general liability, umbrella and workers' compensation
- Client contract reviews
- Project risk assessments
- Quality seminars and workshops
- AIA/PDH credits - Many HSW approved
- Valuable self-study courses

Clients' Projects Include:

- Commercial
- Municipal
- Schools
- Levees
- Petrochemical
- Oil & Gas
- Industrial
- Instrumentation

Additional Products Include:

- Specific Project Professional Liability
- Contractor's Professional Liability
- Contractor's Pollution Liability
- Specific Project Excess Liability Limits
- Specific Client Excess Liability Limits
- Owner's Protective Professional Liability

Working With You to Get the Best Value

It's in your best interest to work with an insurance broker that understands the various policy terms, coverages and exclusions.

As specialists, we understand the professional liability insurance application – and what it is designed to reveal. We help you present your firm in the best possible light and aggressively negotiate on your behalf to secure broad coverage at a competitive price from the most reputable carriers.

Our professional liability specialists will be happy to arrange an introductory, no-obligation consultation. We will help you analyze your current situation, identify your risk exposures and determine whether BXS | Alexander & Sanders is the right partner for your needs.
