Insurance and investment products are: Not a Deposit | Not Bank Guaranteed | Not insured by FDIC or other Government Agency | Not a Condition of any Bank Loan, Product, or Service | May go down in value

In these unprecedented times, many organizations are implementing or expanding policies that allow employees to work from home. Work must carry on, goals must be met, and communication must continue. But managers, some new to the challenges of supervising remotely, may be struggling with this arrangement. This hour-long webinar is packed with remote management best practices as well as easy-to-implement steps and measures to ensure the best possible results.

### **Best Practices for the Remote Worker | Monday, March 30, 1 p.m. CDT**

[Click Here to Register.](#)

In recent years, nearly half of employees work from home at least some of the time. But due to current events, that percentage has skyrocketed. If you're displaced from your workplace and trying to figure out how to stay productive, motivated, and emotionally healthy, then spend an hour learning the tried-and-true methods of the most successful work-from-home professionals. This webinar will give you the basic tools to successfully manage your career and your work relationships from a distance.
